CNW MAILMAN EXPRESS SPRINT TIME TRIAL 2024

HORSE OWNER'S TERMS AND CONDITIONS OF PARTICIPATION

1. **I understand that entry is refused to any thoroughbred horse that has trialed and raced in any country.** I understand that the MAILMAN EXPRESS SPRINT TIME TRIAL is an event for non-thoroughbred horses and thoroughbred horses that meet the eligibility criteria outlined before. The Mailman Express is to be held under lights at the Mount Isa Race Course on August 8th 2024. Each horse will sprint over approximately 200 metres individually and will be electronically timed. The ten horses which record the fastest times will complete another run with the horse recording the fastest time from these ten sprints to be declared the winner (subject to swabbing, eligibility verification, etc). In the event of a tie for first place after the final, the horses involved will be required to participate in a run-off. If a horse does not take its place in the run-off, it will forfeit first place. There may be betting on the whole event and a "Calcutta" will be held on the final ten horses before the final sprints.
2. I acknowledge that participation involves the real risk of injury, possibility serious injury, even death to horse and/or rider. Death and/or injuries may result from circumstances related to, or resulting from, pre-existing disabilities or medical conditions.

I understand that riders are NOT permitted to use a jockey or track work pad for this event. **I agree that should this horse be included in the final field of ten it will be saddled and be at the starting point before the final commences.**
7. I accept that neither the Organising Committee nor the Mount Isa Race Club or Racing Queensland accepts liability for any accident, damage, injury or illness to horses, owners, riders, ground spectators or any other person or property whatsoever.
8. I agree that riders will be breathalysed for alcohol before the time trial and may also be asked to undergo a drug test, and I understand that a rider will be barred if a positive reading to alcohol and/or drugs is returned.
